25th BIMP-EAGA Ministerial Meeting with the theme "Support Competitiveness and Climate Resilience"

Admin -- 29 November 2022

Participatory activities of PT Pelabuhan Indonesia (Persero) Regional 2 Pontianak in collaboration with the Provincial Government of West Kalimantan, participating in the 25th BIMP-EAGA Ministerial Meeting with the theme "Support Competitiveness and Climate Resilience" which lasted 4 days (23 to 26 November 2022) by 4 countries namely Indonesia, Brunei, Malaysia and the Philippines, which was held in Pontianak, located at Qubu Raya Resort.

At the PT Pelabuhan Indonesia (Persero) Regional 2 Pontianak stand, they introduced the Kijing-Pontianak Terminal with ongoing operational activities, namely the handling of liquid bulk and dry bulk goods.

Of course this is one of the attractions in activities that play an important role for industry, trade and improving the economy of a country/a region, especially for the Province of West Kalimantan.
